ANGOLA

MEMORANDUM FOR: Mr. Samuel Hoskinson  
National Security Council Staff

FROM : John N. McMahon  
Deputy Director for Operations

SUBJECT : Review of Papers of the National Security  
Council Working Group on Angola

REFERENCE : Your Memorandum of 14 December 1977

1. At your request we have reviewed the 162 numbered papers of the National Security Council Working Group on Angola. We have examined in particular the portions of the papers which were identified in referenced memorandum as "contain information derived from a particularly confidential

2. We believe that these specific portions of the Working Group papers contain information which would reveal a highly sensitive source and method of collecting intelligence.

SEE: 78-0905/3

5. The point should also be made that it is not feasible to go any farther than we have in making the information on this subject available to the staff of the SSCI. To do so would expose the identity of the source and the methods used to obtain such information.
